### INTRODUCTION & OVERVIEW

Thank you for your interest in attending our Fall 2025 Career Days! To accommodate the high demand for campus recruitment at Mines, Career Days now spans two days, each dedicated to specific industries. This structure supports students' varied career interests and employers' recruiting needs. Both events feature the same time frame, booth features, and are open to all students.

Employers will select **one** industry that best defines their company and attend the date that aligns. Career Days aim not only for job placement but also career exploration. Students are encouraged to engage with all employers, regardless of major or degree, to expand their networks and knowledge.

### **DAY 1 is Tuesday, September 16, 2025 | Earth, Energy, and Environment**

**Industries:** Chemicals, Civil Engineering, Construction Engineering, Consulting, Energy - Alternative/Renewable, Energy - Oil & Gas, Environmental Resources/Water, Geotechnical Engineering, \*Government/Public Sector, Mining, Transportation & Logistics, Utilities / Power

### **DAY 2 is Wednesday, September 17, 2025 | Futures & Frontiers**

**Industries:** Aerospace/Defense/Aviation, Automotive, Banking/Finance/Accounting, BioTech/BioEng-Pharmaceuticals, Education/Instruction/Administration, Electrical/Electrical Components, \*Government/Public Sector, Healthcare/Medical Equipment, High Tech/Information Technology, Humanitarian/Non-Profits, Legal/Law, Manufacturing/Machinery/Equipment, Metals, Military, Retail/Wholesale

*\*Government/Public Sector will select the best date that aligns with their organization, and are still only able to attend one of the two dates.*

**9 a.m. - 3 p.m. MST in the Student Recreation Center (1651 Elm Street, Golden, CO, 80401)**
