T@M Weekly: March 1st

News + Upcoming Events

CERF:

There will be a **Colorado Statewide Recruitment Fair on March 4, 2023** at the Douglas County School District Legacy Campus in Lone Tree, CO, from 9am-5pm with lunch included. (see flyer attached) There will be school districts around the state there ready to recruit preservice teachers on the spot. Really, there are rooms set aside for interviews and all! **Registration opens January 17**th. The first 150 people to register (for \$15) are eligible for a \$10 reimbursement. Details are below. If you have any questions please reach out to Allie at ambolter@mines.edu.

TEA School Types & Teaching Discussion Meeting 3/7:

There are many options for you to pursue if you are interested in K-12 Teaching. We will discuss the differences between public, charter, private, and international teaching opportunities so that you can make informed decisions about your future as an educator. We will discuss the differences in the classroom as well as the support you receive as a teacher in these different environments.

When: Tuesday 3/7, 4:30PM - 5:30PM

Where: CK282

Mines welcomes individuals with disabilities. If you require an accommodation in order to participate in this event, please contact Elizabeth Ruzicka by 3/6/2023 at elizabethruzicka@mines.edu Advance notice may be necessary to arrange for some accessibility needs.

Denver Area Physics Teachers (DAPT) Spring Meetings:

Join Physics teachers from around Denver to discuss and learn more about physics pedagogy and content. This is a great opportunity to connect with students and teachers alike with similar interests and to learn more about what it means to be a part of the physics teaching community.

- Tuesday, March 7th: 5:00 p.m. 7:00 p.m., MZ322. Focus on Optics (RSVP Link Here).
- Saturday, April 8th: 9:00 a.m. 11:00 a.m., MZ322. Focus on Modern Physics (RSVP Link Here).

Judge a science fair at Fairmont Elementary:

Fairmount Elementary is looking for anyone that would be interested in judging their Science Fair this year. It is on **Thursday, March 16 @ 2:45** and it will last an hour. Fairmont Elementary is in Golden (about 10 minutes away for the Mines campus). **If this sounds like a fun opportunity, please reach out to Angie at Angie.Sparano@jeffco.k12.co.us**.

Opportunities

Cross-Cultural Leadership Program – June 2023 in Poland:

The Cross-Cultural Leadership Program is for students at Mines who want to learn to become more effective in international environments. Participants will meet other students from Europe and learn about leadership in the context of today's complex global business/engineering landscape. This highly interactive, high-energy program is a living laboratory on working with people from vastly different cultures.

Students will...

- Develop cross-cultural communication skills
- Develop cross-cultural leadership skills
- Experience a living laboratory at the host campus in Poland
- Develop friendships with engineering students in Europe
- Take part in a highly interactive program
- Receive mid-level HASS credit (EBGN 398)

Generation Teach AmeriCorps Summer Teaching Fellowship:

Do you want to invest in your local community? Would you like to receive \$4,550 to support your education? If so, the award-winning Generation Teach AmeriCorps Summer Teaching Fellowship is for you. You will earn \$4,550 while gaining leadership and teaching experience. The fellowship includes pre-summer preparation, seven days of in-person training, and 25 days of teaching Denver middle-school students. You will join a loving community of 32 undergraduate and high-school students. 97% of former teaching fellows said they grew as leaders; 98% grew as teachers; 99% developed skills they will use whether or not they become teachers. **Upcoming application deadlines are March 15 and April 15**. Learn more here. Fellowships fill quickly; **apply** here!

Budapest Semesters in Mathematics Education (BSME):

A study abroad program in Budapest, Hungary designed for undergraduates and recent graduates interested in the learning and teaching of secondary mathematics. BSME participants explore Hungarian pedagogy, in which a strong and explicit emphasis is placed on problem-solving, mathematical creativity, and communication.

Current programs and deadlines include:

Summer 2023 - March 1, 2023
